

Dear Mums, Dads and Carers from Nursery to Year 2 children

'Maths is so different from when I went to school!'

Sounds familiar? Are you interested in a course that shows you how maths is taught in school and how you can help your child at home?

If your answer to all the following statements is 'yes' then this **Help Your Child with Maths** course is definitely for you!

- I would like to find out more about the maths curriculum and how it's taught in school today
- I would like to find out how I can support my child's maths learning in school and at home
- I would like to take part in maths activities, with my child, in school

**This five week course will run at:
Wolverham Primary and Nursery School
Thursday mornings, 9-11am in the Learning
Community Room
Starting on 27th April until 25th May**

Interested? Please pop in the office and sign up.
