### We Need Your Help Please!!!

Your opinions matter to us! **Please help us to evaluate our school.** Ofsted use **Parent View** to see how parents/carers feel about the school and we use this to evaluate how well we communicate with parents/carers and to identify ways to improve our school. Please log online to [www.ofsted.gov.uk](http://www.ofsted.gov.uk) - **then click on the link 'What you feel about your child's school' – then click on the jigsaw piece - give your views now.** You will be asked to register your

email address and then you will be asked to complete a very short survey. You will be asked to comment on 12 questions including is your child happy in school? Do they feel safe in school? How well your child is taught? If you believe the school is well led etc. This will only take a few moments and we would really like to see your views. **Thank you in anticipation**
